

St Mary's College (part of St Cuthbert's RC Academy Trust)

Are looking to recruit

ICT Technicians / Officers - Grade 4 – 6
Pt 15 £17,072 – Pt 26 £23,398

All roles are 37 hours per week
Full time - all year round

We are now responsible for providing the ICT service for 6 RC primary schools in Hull. We are looking to expand our current team and appoint some high calibre ICT staff who will be responsible for managing, maintaining and developing the IT systems within both our primary and secondary schools. These include, Apple & Android operating systems, Office 365, school websites, shared learning platforms, social networks, telephone systems & access and security systems. Reporting to our ICT Managers, we are looking for proactive ICT professionals who can help us expand our offer to meet the current and emerging ICT needs of a student population 3yrs - 19 yrs.

In addition to technical expertise, you will also have the ability to communicate effectively with your teammates, students and staff. You will provide ICT services to partner schools and educational providers as required. Experience of the delivery of IT services in an educational setting would be valuable.

Although based at St Mary's College, you should be prepared to work across the Trust when required and, on occasion, be flexible on working hours.

For an application pack please send a stamped (50p), self addressed envelope to the Headteacher at St Mary's College, Cranbrook Avenue, HULL, HU6 7TN - (01482) 851136 or visit our website <http://www.smchull.org>

The Trust is committed to safeguarding and promoting the welfare of children and young people.

St Cuthbert's Roman Catholic Academy Trust is an equal opportunities employer.
