PE Premium Impact study 2014-2015

PE Premium Funding -

Activity/ Initiative/Staff	Purpose	Impact	Considerations
To continue to develop staff CPD through working with coaches during PE sessions.	To improve teaching and learning to attain a GOOD standard throughout the school across a range of activities.		
Provide cover staff to release teachers for professional development in PE and sport	To encourage and develop CPD for staff and develop confidence in teaching PE and sport.		
Utilise outside providers to provide coaching sessions for both staff and children	To improve quality of staff teaching in various disciplines. To Broaden the children's sporting experiences and encourage long term ( out of school) participation by membership of outside clubs		
Enable pupils to be involved through voicing their ideas through the school's student council.	To seek child feedback on the provision offered to meet the needs of children.		
Engage the least active pupils in after school activities, for example 'Change4Life' after school clubs	To target the least active children to undertake a PE/sports after school club.		
Encourage regular inter and intra sports competitions for pupils of all ages within the local collaborative Trust and the Hull Family of Catholic schools	To develop a spirit of sporting competition within the school and to continue to compete against local schools.		
Purchase specialist non traditional sports equipment	to introduce a range of non-traditional sports to the school to		

	encourage participation across a variety of disciplines		
Pay for transport and access to indoor leisure facilities	To ensure that children are able to attend competitive sporting events and to provide a facility for PE and sport to be undertaken indoors during the winter.		
To increase the amount of PE/sports after school clubs.	To increase the percentage of children who attend after school clubs.
