

ST CHARLES' VC ACADEMY

Dear Parents and Carers,

I would like to start by thanking you for all your hard work and support that you have given the children in continuing their education in these strange and difficult times. As a school, we have looked at the way we have been managing online learning for those children not currently attending provision in school and have looked at how we can make this manageable for both you and the staff going forwards in light of the phased re-opening of school for certain Year groups.

From Monday 8th June, you will be sent a link to your child's weekly learning for the week. These will also be available on the school website and twitter feed. Each week will have a theme which will run across the whole school.

You will then be able to download the project for the week and begin following it.

You will notice that on the projects, there will be a task highlighted in green. This is the task which we will ask you to send to staff, either through your child's Seesaw log in or on Twitter feed using the Year group's hashtag.

If you would like to share more work that your child has completed, this can be shared in the same way.

Staff will continue to complete weekly well-being check in phone calls. If you have any problems accessing the project sheets, please mention this and a paper copy can be collected from school.

The themes for the learning projects are:
